### Proposed Land Use Changes, Citizen Amendment Requests, Development Standards

The City of Kirkland is in the process of updating the Comprehensive Plan, a long-range plan for growth and development. As part of that update, the City accepted Citizen Amendment Requests (CAR) that propose changes to the land use or development standards for properties in Kirkland. The scope of the study areas for most of the requests was expanded to include some of the surrounding properties. The request is described below along with the contact information for the City Planner who is working on the request. Revisions to the Neighborhood Plan are also proposed.

### Proposed Land Use Changes

**Nelson and Cruikshank requests**, 202 and 208-2<sup>nd</sup> St. So/207 and 211-3<sup>rd</sup> St. S. and study area, *Moss Bay Neighborhood*, change Comprehensive Plan and zoning from low density single family (PLA 6C) to medium density multifamily (PLA 6A) zone. The City will also be considering related changes to the CBD 3 and CBD 4 development standards. Contact: Jeremy McMahan, [jmcmahan@Kirklandwa.gov](mailto:jmcmahan@Kirklandwa.gov)
